Tips for your times of prayer:

- Find a quiet place for your time of prayer.
- If you're praying with others, connect with your prayer partners.
- Read and reflect on the scripture prompt.
- Remember to begin your prayer with a brief time of worship, praise and include a time of repentance.
- Be flexible. If you are working or have other responsibilities, you may not be able to pray at the same time each hour. The main thing is to pray at some point during the hour window.
- Go with God...if you feel led to pray about a different topic or want to pray about the same thing each hour of during the prayer time, do it!
