Embracing the Lenten Season

The Lenten season, from Ash Wednesday to Resurrection Sunday, is a time for reflection on God's great love for us and God's great call on us to faithful and liberating discipleship.

For years, this time has been seen as a time for deeper devotion and strengthening our individual and corporate spiritual practice. It is often characterized by three main components:

- **Confession & Repentance** - Lent offers an opportunity for self-examination, allowing us to identify areas of our lives that need transformation.
- **Fasting & Prayer** - Fasting is a biblical practice that helps us grow in discipline, resist temptation, and become more attuned to God's voice (Exodus 34:28; Deuteronomy 9:9,18; 1 Kings 19:8; Matthew 4:2).
- **Charity & Almsgiving** - Lent is not only about personal sacrifice but also about serving others. During this time, participants often make an intentional practice of generosity through acts of kindness, charity, and service.

SHIFT

Carve out additional time in your schedule to shift your focus more intentionally on Jesus through reading in the Gospels and prayer + reflection time. If you already have a regular prayer time, consider adding another time of prayer to the day OR lengthening the time you spend praying and seeking God's face.

SHARE

ATBC offers several opportunities to practice charity and almsgiving, including volunteer opportunities during Food Distribution, For Sisters Only, the Homeless Ministry, Face Mask Crew, and donating to the Benevolence Ministry or the Food Box. Visit allentemple.org for more information on Ministries you can support during this season.

SACRIFICE

Fasting during Lent can take many forms. While some choose to give up food or drink, others may abstain from distractions or habits that hinder their spiritual growth.

Here are some ideas:

- Sweets and desserts
- Social media
- Television and entertainment
- Caffeine or coffee
- Meat
- Negative speech, gossip, and complaining
- Alcohol
- Shopping or impulse buying
- Excessive use of technology

During this critical time in our nation, many organizations are advocating for an economic fast / blackout of specific retailers. Consider participating in one of those initiatives as part of your Lenten Season fast.

Why 40 Days?

The 40-day period of Lent is commemorative of Jesus' 40 days of fasting and temptation in the wilderness (Matthew 4:1-11).

The number 40 also carries additional biblical significance, notably in:

- Moses' 40 days on Mount Sinai receiving the Ten Commandments (Exodus 34:28).
- Elijah's 40-day journey to Mount Horeb (1 Kings 19:8).
- The 40 days of rain during the Great Flood (Genesis 7:12).
- The Israelites' 40 years of wandering in the desert (Numbers 14:33).
